## How can you help?

Fall 2009 FaceLift is a NeighborWorks joint project between Community HousingWorks and volunteer groups within City Heights and San Diego to clean up one block in the Azalea Park Neighborhood.

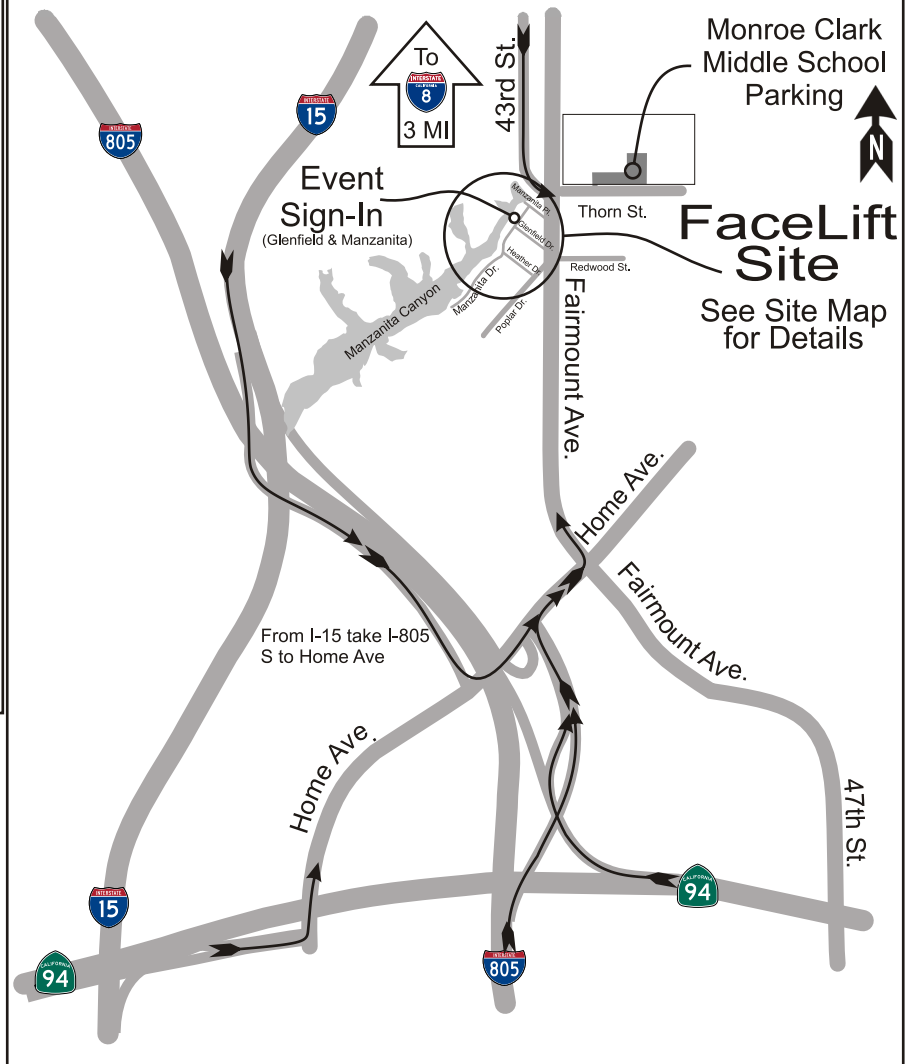

Ten to twelve homes are to be painted and tons of trash will be hauled away from neighboring properties and Manzanita Canyon to dumpsters on site.

Fall 2009 FaceLift is funded by the City of San Diego Redevelopment Agency with support from the City Heights Project Area Committee and Councilmember Todd Gloria. Other financial sponsors: UPS and Point Loma Nazarene University.

Whenever possible, please pre-sign your Volunteer Waiver. Bring to the Event Tent at Glenfield and Manzanita Drive to sign in. Each
